The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Winterport Wastewater Project in Fiscal Year 2024. The entity to receive funding for this project is the Winterport Water District, located at P.O. Box 679, Winterport, Maine 04496. The funding would be used to complete the mandated upgrade to the District's wastewater treatment plant to secondary treatment. The project is an appropriate use of taxpayer funds because the Winterport Water District has a very small user base and additional funding needed to pay for the project will be required to avoid large rate increases on the community.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jared F. Golden
Member of Congress
